Livestock Reconciliation

In an effort to highlight problems in relation to accounting for livestock we set out below a livestock reconciliation form which should be completed for all types of livestock on hand. Please note this does not have to be done for all types of classes as with the listing on hand. It relates only to total numbers.

	Sheep No's	Cattle No's	Deer/Goat: No/s
Opening Stock (number on hand at last set of financial statements)	_____	_____	_____
Add Purchases	_____	_____	_____
Subtotal	_____	_____	_____
Add Natural increase (this figure should be same as entered on the livestock on hand statement)	_____	_____	_____
Less sales for the year	_____	_____	_____
Less closing stock on hand as per livestock on hand statement	_____	_____	_____
EQUALS DEATHS & MISSING	_____	_____	_____

Please comment as to whether this figure is realistic.
